

Unitarian Universalist United Nations Office  
2005 Intergenerational Spring Seminar

April 14-16, 2005

*The world has lost 25 million people  
since the beginning of the AIDS epidemic...  
...Who have you lost?*

HIV/AIDS is a humanitarian crisis of pandemic proportions,  
an urgent concern to the international community,  
and the 6<sup>th</sup> UN Millennium Development Goal.

Please join us in New York City for a three-day exploration of the social,  
political, economic and spiritual dimensions of this global catastrophe.
