

UU United Nations Office

2005 Intergenerational Spring Seminar

AIDS: Defusing a Biological Timebomb

You are invited to join us for a weekend of seminars and workshops
in New York City.

Come to discuss action today for a better tomorrow.
Meet with youth from all over the US and Canada to learn and share in an
open and willing environment in the city of cultural diversity.

BE THERE OR BE SQUARE!!!

April 13-16, 2005

At The United Nations and the UU-UNO in NYC
Youth and Advisors register on the night of the 13th at
All Souls Church

For registration forms, questions or concerns, please call or e-mail the office at
(212) 986-5165 or e-mail Youthcoord@uu-uno.org.

To contact the head of the youth seminar, e-mail HeadHOTY@yahoo.com

OR

send a letter to:

UU-UNO
777 UN Plaza, Suite C-C
New York, NY 10017

Please make sure to visit uu-uno.org for further updates.

*Did you know that we are most at risk for contracting HIV/AIDS?
Youth between the ages of 15 and 25 make up more than HALF of the cases world-wide!*
